

TUFF GUARD™ BREATHABLE MOUTHGUARDS

***Breakaway helmet strap detaches with excessive force pull, reducing potential patient harm during sports activities.**

Tuff Guard™ Breathable Mouthguard

- Innovative design provides upper and lower arch protection from braces while playing non contact sports
- Three breathing vents located at the front allow optimum airflow while playing sports
- Increased clearance for the tongue, which fits comfortably between the bite pads
- Available with or without a helmet strap
- Available individually with an appliance case in bulk bags of 10 and in dispenser boxes of 5
- Fifteen colors to choose from, making it easy to match team colors
